

# ART - Tools Table

## Overview for Managers and RMOs

CHRA, Modified 24 March 2004

**Purpose:** The ART – Tools Table below provides an overview of all tools that are available in Army Regional Tools (ART) for Managers and Resource Managers (RMOs). For detailed guidance, please refer to the ART Handbook.

**Note:** The ART tools that are preceded by a + sign have a submenu. This table can also be utilized as navigation tool to a specific tool. For example, if you like to use FASCLASS, <click> on +Centralized Applications in the ART main menu. This will open the next submenu where you <click> on FASCLASS.
